

SkillCircle is a growing group of people in small businesses in Bedfordshire and Hertfordshire. We would like to invite you to join us at i-lab Bedford on Wednesday September 27 to explore how we could work together.

There will be two sessions:

10am - Belonging to SkillCircle

We engage in low cost co-operative marketing and work together to offer our clients a wide range of services that are appropriate for small to medium businesses. Benefits of belonging to SkillCircle include credibility and very cost effective PR and marketing. Following a short presentation, there will then be a chance to network with existing members and discuss how we can work together. The room is available until about 12 noon.

2pm - Using SkillCircle

We can offer you a wide range of services that are appropriate for small to medium businesses. Benefits of using SkillCircle members include access to "Virtual employees" to fill skill gaps cost effectively, flexibility and peace of mind. In this session you will hear how SkillCircle operates and what some of our members can do for you. There will be an opportunity for one to one discussions on specific requirements. The room is available until about 4pm.
